

Husqvarna FS 309

The FS 300-series includes lightweight and compact floor saws. These saws are ideal for small repair jobs and are very easy to handle. They can be transported in any small vehicle. Shown with OPTIONAL water tank.

Low vibrations

Engine and blade shaft mounting system increases comfort and gives excellent cutting performance.

Stable operation

Adjustable handle and extendable right rear wheel for increased stability.

Easy to transport

Very light weight facilitating transport and handling.

Low maintenance

The IntelliSeal blade shaft system allows for a minimum of 250 maintenance-free hours without daily greasing of bearings.

FEATURES

- Very light weight facilitating transport and handling.
- Adjustable handle and extendable right rear wheel for increased stability.
